TUCK'S POST CARD.

CARTE POSTALE. POSTKARTE.

The Harbour. Bridlington Quay (the seaport for the old town of Bridlington, three-quarter mile inland) is a well situated port on the Yorkshire coast, which has now attained considerable reputation as a watering place. The harbour is capable of holding 200 vessels, and is notable as being the only shelter for north-going vessels between Harwich and Leith during fierce northerly gales.
